LOTTERY AND ACCEPTANCE

If St Louis Language Immersion Schools receives more applications than there are seats available for any given grade level or campus, we will hold a random lottery as required by law. Once the first lottery is held, we will contact all families to notify them of their enrollment status. All applications received after 5:00 p.m. on the date of the lottery deadline will be entered into the second pool of first come, first serve applicants and waitlisted by the date they are received. Accepted families will be required to complete the required enrollment paperwork **in person** at the school location. More information will be sent out via mail to accepted families regarding the enrollment process.
